

Special Needs Ministry
Gender Road Christian Church

Want to help?? Volunteer!!

Special Needs is a ministry for persons affected by disabilities. As a team, we desire to prepare the church's "Great Banquet" architecturally, socially, educationally and spiritually by identifying and removing barriers that hinder a person from devolving a relationship with Jesus. One way that we can do this is through our volunteering as a "Buddy" with a child. A Buddy is a volunteer who is trained and paired up with a child/teen/young adult with special needs who may be able to do well in a typical group but needs some help with inclusion. A Buddy connection may be the only person a family needs to feel safe to consider attending our church.

If you are interested in being a Buddy, contact GRCC's Special Needs Coordinator Melissa Ramsey at: sneeds@genderroadcc.com via email or by phone at 614-829-6629.
